

NEWSLETTER AUTUMN 2024

Our commitment to promoting mental health care continues through several initiatives:

- More practitioners available at our clinic.
- Social media engagement during March, a key month for mental health awareness.
- The AAPI Conference 2024, where we will be part of the community of mental health care professionals.

AAPI CONFERENCE 2024

This year AAPI will focus on two major areas of work at Brain Care:

- Assessment, Diagnosis and Interventions in Neurodiversity.
- IA Impact on Psychology.

We can't wait to share our experience with **Photobiomodulation!**
